## BOARDS GET HEADS TOGETHER FOR NEW HOSPITAL

**Plan A Straw Vote To See What Folks Think About The Idea Of A New Modern Facility Located Half Way Between Pahokee and Belle Glade.—Members Of Both Boards Are Making Sincere Effort To Solve Complex Problem Of Financing.**

If sincere and honest effort will bring about a consolidation of the two hospital districts in the Glades then this area is in for one of the finest hospitals that money can build. Members of the Belle Glade and Pahokee hospital boards have been working untiringly to formulate plans for such an eventuality. They are looking forward to the time that a modern and up-to-date hospital can be built half-way between Pahokee and Belle Glade and furnish for the splendid corps of doctors in our midst an honest-to-goodness facility where humanity's hurt can be attended with the finest and most modern equipment available in America.

A straw vote will be called by the two boards in order that the members of those groups may be guided by the folks who are going to pay the bill. The Straw Vote which the joint boards agree is desirable, is planned for April of this year and although not binding, is intended to give members of the two boards a guide to public opinion on the proposal at the present time.

Two joint meetings have been held in the past weeks at which plans have been discussed for preparing the Enabling Act to be presented at the next session of the State Legislature, and for conducting a Straw Vote in the near future in order to get a sampling of public opinion on the proposal.

The Enabling Act must contain a basic outline of the proposal covering the specific details such as board member distribution; name of the new district; location of the new facility; provision for a referendum on the Act itself; tax levies; bond elections, etc.

Board members have agreed on these matters and have previously announced the member distribution and location of the new hospital. The new district shall be called "The Western Palm Beach County Public Hospital District."

The Act shall provide that the Referendum, which is tentatively set for May, 1963, will be called by each of the existing boards and that all persons who are registered freeholders at the time of the election shall be entitled to vote. The vote shall be the majority of those persons voting in favor of the joint venture in each of the present districts, either district failing, fails the entire proposal.

On levying tax-millage the proposed Act empowers the new District to levy, not exceeding 12 mills at any one year, for general operation, maintenance purposes, construction of new facilities, and the retirement of bond issues.

At present each board is empowered to levy 10 mills. Present estimates are that only a portion of (continued on page 8)

### Pahokee Baptists Build New SS Rooms

Blanton and Unwin, Pahokee contractors, started Wednesday morning of this week on a new two-story addition to the Pahokee Baptist church which will be used for an additional eight or ten Sunday School rooms. The new part of the building will fill in the southwest corner between the new sanctuary and formerly built Sunday School building.

The new addition will cost in the neighborhood of \$22,000 and an additional \$9,000 will be spent in air conditioning the new sanctuary.

The contractor said that new General Electric equipment will be used to air condition the sanctuary.

The new addition to the building will be 28 x 48 and of concrete block construction.

### Last Rites Held For Mrs. Burney, 75

Last rites for Mrs. Gertrude Gaskin Burney, 75, mother of Mrs. Charles G. Willis, of Pahokee were held in Boston Presbyterian church in Boston, Georgia on Monday with burial in the adjoining cemetery.

Mrs. Burney passed away at a nursing home in Lake Worth after an extended illness. She came to Pahokee nearly six years ago from Boston, Ga., and made her home with Mr. and Mrs. Charles G. Willis. Two grandchildren, Bill and Ginger, also survive.

The deceased was a retired school teacher and a member of the Presbyterian Church.

### Band Will March In Fort Myers Parade

On Saturday, February 17, on-lookers at Fort Myers Pageant of Light will have opportunity to see one of Florida's finest bands in line of March when the Pahokee High School Band participates in that city's parade, beginning at seven o'clock.

Robert O. Lampi is director of the band and this year the group consists of 56 members of the high school.

#### MEDICAL EXAMINER

Dr. Hugh Dortch, West, Palm Beach, was named county medical examiner Monday in an appointment recommended by the County Health Dept. and approved by the County Commission.

### SPEAKS AT PTA

MILTON CARPPENTER

### Carpenter Speaks To Pahokee PTA

Palm Beach County School Board Member Milton Carpenter of Belle Glade was the featured speaker at the regular monthly meeting of the Pahokee PTA held in the Pahokee high school auditorium on Monday night of this week.

During the time that Mr. Carpenter has been a member of the school board he has made an honest effort to thoroughly familiarize himself with the intricate working of the office. It was about the entire board's sincere effort to constantly improve the schools of the county that Mr. Carpenter spoke Monday night to an interested audience.

He pointed out the unceasing expansion of classroom facilities, the raising of teaching standards and the modernization of classroom subjects and techniques. Mr. Carpenter's address was warmly received by those in attendance.

The monthly attendance awards were won by Mrs. Sara Thomas's fifth grade room at the elementary school, and by Bob Maxson's home room at the high school.

Pahokee Girl Scout Troop 30 opened the meeting with the flag ceremony, followed by two songs by the group. Mrs. Robert Shelley gave a litany with audience participation for the devotionals.

At the close of the meeting members were invited to visit the various school rooms, where teachers were present as hosts to explain the work of the students. Refreshments were served by Mrs. William S. Plummer and Mrs. Jess M. Elliott, hostesses for the month.

#### UNDERGOES OPERATION

Gene Parnell, son of Mr. and Mrs. E. S. Parnell of Pahokee, who is a student at Southern in Lakeland, underwent an emergency operation for the removal of his appendix over the weekend. He is a Junior at the school. His parents were with him during the operation. He is recovering nicely.

## March 6 Is Opening Date For County Candidates To Qualify

### Funeral Services For John J. Repper

Funeral services were held at the Pahokee Catholic Church on Tuesday of this week for John Joseph Repper, 16, who died following heart surgery in a West Palm Beach Hospital. Father Francis Fenech was in charge of the funeral and burial was made in the Fort Mayaca cemetery.

The deceased was the son of Mr. and Mrs. J. L. Repper of Pahokee. Other survivors are: two brothers, Vince and Patrick and one sister, Bernadette.

He was a member of the Pahokee high school sophomore class, Future Farmers of America, and a former member of the high school band.

Pall bearers were: Bruce Boynton, John Cruthird, Wayne Hundley, Skeets Boe, Harry Cunningham and K. B. Wagnon.

### Heart Fund Drive Will Start Feb. 20

The Heart Association of Palm Beach County will have its kick-off coffee for the Heart Sunday volunteers on Tuesday, February 20, at 10:30 at the home of Mrs. Hugh Branch in Pahokee. The Canal Point and Pahokee heart fund volunteers are invited to the coffee to meet the new executive director of the Heart Association of Palm Beach County.

All volunteers who attend the coffee will get their heart fund kits. Mrs. Elmer Maxson is chairman of the Heart Fund in Canal Point and Mrs. Hugh Branch is chairman of the Heart Fund in Pahokee.

### Canal Point Lions Hear FFA Workers

W. E. (Bill) Johnson, an FFA officer, and Willie Veal, a graduate member of the Pahokee FFA, were speakers at the Monday night meeting of the Canal Point Lions club held in the Community Building.

Cattle raising, sugar cane growing, vegetable production, came in for their fair share of discussion by the two visiting speakers, who were introduced by Roswell Harrington. President J. G. Weeks was in the presiding officer's chair.

Willie Veal is a vice president of the State FFA organization. He was accompanied to the meeting by N. R. Norman, faculty advisor of the FFA Chapter in Pahokee.

Candidates who want to go before the voters in the May primary elections have their work cut out for them. County candidates—and there will be several of them this time—may qualify between noon on March 6 and noon, March 20. During this two week period it is thought that the "woods will be full of candidates." Only time will tell.

For those seeking state office the dates are a little different. In those races they may qualify between noon, Feb. 20, and noon, March 6. This plan will get all of the state candidates qualified before the date opens for the county office seekers to qualify.

This year State Representatives Emmett S. Roberts and Jerry Thomas will be seeking re-election and they will qualify before the March 6 deadline. State Senator Ralph Blank does not have to run this time, having been elected two years ago for a four year term.

County Commissioners Lake Lytal and Ben Sundy will be up for re-election this May and they will qualify soon after the qualification date rolls around—March 6. To date there has been no official announcement of opposition for this pair of veteran county commissioners who leave no stone unturned to do a good job.

Clerk of the Criminal Court John S. Dunkle will be up for election this time, with his job being the only major court house job coming on the "off year" election voting.

Judge James L. Tyson, Jr., judge of the newly created Magistrate Court with offices in the Glades Office Building and serving the western section of Palm Beach County, will be a candidate for a full four year term. He will qualify at the proper time. When the court was created and put into operation on July 1, 1961, the governor named Mr. Tyson to the post which he has so admirably filled since that time. One judge of the Criminal Court of Record—Judge MacMillan's term expires and his position will be filled. He will qualify when the date rolls around.

Judge of the Juvenile and Public Relations Court Emory Newell who was appointed by the governor following creation of the court, will probably be a candidate for a full term on that bench.

Judge Don C. Sinclair, second judge of the Small Claims Court likewise was appointed by the governor following creation of that court in 1961, and in all probability will be a candidate for a full four year term.

School Board Members Thurmond Knight, Ralph Kettie and Dave Turner have not as yet stated their intentions to seek re-election to a four year term on the school board but it is a good guess (continued on page 8)

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The Palm Beach County Commission this week followed the lead of Commissioner Edward Bandlow, Lake Worth, and approved formation of a study group to survey the county's office building needs for the next 20 years.

Commissioner Bandlow said the county has spent \$4.5 million on county office buildings in the past 10 years and still faces the probability of further expenditures.

In an effort to make further expenditures wisely, Bandlow said the board should name a study group to work under the engineering department, to survey the county public building requirements for the next decade.

The board instructed County Engineer Steve Middleton to make plans for the study group and housing survey and to report back to the board on what funds will be needed to finance the operation.

In other actions this week the commission:

Voted to repay County Solicitor Joel Daves \$120 in travel expense incurred in a trip to Tennessee for an extradition hearing.

Decided to purchase 25 more voting machines.

Voted to decide 14 county lots located in the City of Lake Worth, over to the municipality for return

to the tax roll.

Voted to spend a maximum of \$8,000 to aid the Town of Lantana in constructing a new park and boat launching ramp on the inland waterway in that community.

Extended airport leases of Butler Aviation and Farnell, Inc., for an additional five year period at an increase in annual rent.

Received a check for more than \$56,000 in excess fees turned over by John Dunkle, clerk of the criminal court of record.

Authorized construction of a new civil defense headquarters on Belvedere Road to be built by county and state funds.

The board also heard from Commissioner Van Kessel that a new 2000 acre horse breeding plant coming to Palm Beach Gardens will mean much to the county in the way of both horse and cattle breeding. The new project will gain recognition around the world, Van Kessel said.

Another improvement in the offing, the commission learned, will be construction of a new bridge across the north fork of the Loxahatchee between Jupiter and Tequesta. Bids for the new bridge to replace a wooden span known as the Girl Scout bridge, will be opened Feb. 28 by the State Road Department.

Mr. and Mrs. J. J. Walker and Mr. and Mrs. Seth Roberts attended the Florida State Fair in Tampa during the past weekend.

Mr. and Mrs. Paul Shelley and son, Barry, of Damascus, Virginia, are the guests of Rev. and Mrs. Robert Shelley.

The Canal Point Garden Club will have a work day at the Community Building February 22, at 1:00 o'clock. Bring a sandwich.

## Classified Ads

## Program On Egypt Highlights Meet

The regular monthly luncheon meeting of the Everglades USDA Club, held Monday, February 12, at the Community Center in Canal Point, was highlighted by the presentation of an illustrated program on Egypt by Dr. Karl S. Quisenberry.

Dr. Quisenberry, a recognized authority on cereal breeding, was called out of retirement to serve as a member of a team staffing United States pavilions at international fairs in New Delhi, India and Cairo, Egypt in 1961. He was introduced by Don Fishler, program chairman, who outlined Dr. Quisenberry's many accomplishments. The Club members learned that Dr. Quisenberry received his PhD at the University of Minnesota and that he served as a research worker and administrator in the U. S. Department of Agriculture many years, finally ascending to the post of Deputy Administrator before his retirement.

Dr. Quisenberry illustrated his talk, entitled "Egypt—A Land of Contrast," with colored slides. He presented interesting statistics and pictures relating to Egyptian Agriculture. He stated that Egypt has only 1.4 acre of farmland per person compared to 2 acres per person in the United States. Since Egypt is very arid—average annual precipitation is less than the Nile River, the narrow lifeline of Egypt, for irrigation water. Reclamation projects, the largest being construction of the Aswan Dam, will add an estimated two million acres of farmland to the present six million acres.

Dr. Quisenberry said that farming methods are very primitive in Egypt, with practically all work done by hand. About 60 percent of the people of the country are engaged in agriculture. Many children are used for this work, as well as in industry.

He emphasized the stiff competition among countries, particularly between the United States, Russia and Red China, in international fairs. Dr. Quisenberry stated that the snack bar, where the Egyptian people purchased barbecued chicken, donuts and other pastries prepared on the spot, was the most popular features at the American pavilion.

Mills Byrom, Club President, reported on progress of Jack Little in St. Mary's Hospital, West Palm Beach, where he is recovering from surgery performed last week.

Dr. Forsee introduced his guest, Patrick Gallagher, who recently received his M. S. in soils at North Carolina State, and is touring several experiment stations before his return to his native Ireland. Another guest present was Mrs. Mills Byrom.

## GABALDON TAPPED

Val Gabaldon was tapped for membership in the honorary speech society of Phi Rho Pi at Palm Beach Junior College. To be tapped for this society one has to have made contributions to the field of speech outside the classroom and make at least a "B" in speech.

Tapping ceremonies were held at Palm Beach Junior College Sunday, February 3. Afterward, there was an impromptu speech contest in which Val placed first.

## ATTEND STATE FAIR

F. F. A. boys and F. H. A. girls chartered a Trailways Bus to go to Tampa to attend the Florida State Fair Friday and Sat. The chaperones were Mrs. R. C. Lane, Mrs. Jimmy Wilson, Mrs. Joe Thompson and Mrs. J. E. Williams.

Mr. and Mrs. Michael Wilson of Orlando announce the arrival of a son, Sunday, February 11. Paternal grandparents are Mr. and Mrs. W. R. Wilson of Pahokee. Maternal grandparents are Mr. and Mrs. A. E. Kirckman of Belle Glade. The paternal great-grandparents are Mr. and Mrs. W. G. Hull of Pahokee.

## Spider Ranks High With Equitable

Earl A. Lindrose, has just returned from Boca Raton where he attended the Leading Producers Conference conducted by The Equitable Life Assurance Society. Mr. Lindrose is a member of the company's A. R. Cassidy agency. He is also past director of the Belle Glade Chamber of Commerce and a past member of the Belle Glade Golf Commission.

The Boca Raton conference drew leading Equitable agents from all parts of the country and was keyed to the theme: "Today's New Markets in Life Insurance and Their Development." Tax-sheltered employee annuities, financing for professional corporations and associations, and college expense financing were included in the agenda.

## Coke Party Honor Mrs. Claude Morgan

Mrs. A. D. Beverly, Mrs. Leon Spooner, Mrs. Jimmy Wilson and Mrs. Jimmy Vann entertained at the home of Mrs. Beverly on Bacon Point Road with a coke party Tuesday afternoon honoring Mrs. Claude Morgan, who with her family plan to leave soon to make their home in Fort Lauderdale.

## Tom Adams May Run For Governor

TAMPA—Capitol press correspondent Allen Morris gives a two-years-before-posttime prediction of the prospects for the 1964 governor's race.

Heading the list of Morris' prospective candidates was Secretary of State Tom Adams followed closely by Jacksonville Mayor Haydon Burns, former State Senator Doyle E. Carlton, Jr., and former Governor LeRoy Collins.

Congressman William C. Cramer was also mentioned along with former State Senator Fred C. (Bud) Dickinson, Circuit Judge Robert L. Floyd, State Rep. Ben Hill Griffin, Jr., House Speaker-designate Mallory E. Horne and Florida Development Commission Chairman-Director Wendell Jarrard.

Also mentioned as possibilities for the race were State Sen. Scott Kelly, State Rep. John E. Mathews, Jr., and John M. McCarty. Closing the impressive list were Supreme Court Justice Stephen O'Connell, State Sen. Verle A. Pope and State Sen. Ed H. Price, Jr.

Author of the syndicated newspaper column "Cracker Politics," Morris has observed the Florida political scene since 1939.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones  
you own now are better than ever*

**Q:** How does the new  $3\frac{3}{4}\%$  interest rate benefit me?

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{2}\%$  for the first year and a half; then a guaranteed  $4\%$  each year to maturity.

**Q:** When did the new rate become effective?

**A:** June 1, 1959.

**Q:** Does the new rate change the Bonds I bought before June 1, 1959?

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{2}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q:** Will the Bonds I own automatically earn their new rate?

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q:** When my E Bonds mature, will they keep on earning interest?

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q:** With the new interest rate, should I cash in my old Bonds and buy new ones?

**A:** No. The automatic  $1\frac{1}{2}\%$  increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q:** How are series H Bonds different from series E Bonds?

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q:** In what denominations can I buy series E and series H Bonds?

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

**Q:** How safe are U.S. Savings Bonds?

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q:** What if my Bonds should be lost, stolen or destroyed?

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q:** Where can I buy Bonds?

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q:** How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

**A:** Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

## YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

The U.S. Government does not pay for this advertising. The Treasury Department thanks  
The Advertising Council and this publication for their patriotic donation.

### The Everglades News

# PERSONAL NEWS NOTES

Mr. and Mrs. Chan White of Savannah, Georgia, are the guests of Mr. and Mrs. Frank Friend.

Luth Nall has returned to Leesburg after several days visit with Mrs. Nall.

Mrs. A. R. Chastain returned to her home in Canal Point Monday after spending the weekend at Salt Springs.

Mrs. E. B. Gumble and Mrs. J. D. Latham have returned to their homes following a visit with Mr. and Mrs. James Latham in Cocoa.

Mr. and Mrs. Ernest Johnson of Bredon were the dinner guests of Mr. and Mrs. M. C. Carter Sunday.

Miss Linda Hand returned to West Palm Beach Monday after spending the weekend with her parents, Mr. and Mrs. Lester Hand, of Pahokee.

Mrs. F. M. Wilson is a patient at the Good Samaritan Hospital in West Palm Beach.

Miss Jean Brown has returned to the University of Florida in Gainesville where she is a junior, following a visit with her parents, Mr. and Mrs. Joe Brown of Pahokee.

Mr. and Mrs. R. A. Ferrell of Cape Cod, Massachusetts were the guests of Mr. and Mrs. M. C. Carter Thursday.

Mrs. Bob Meyers of Miami was the weekend guest of her parents, Mr. and Mrs. J. V. Thomas, of Pahokee.

Johnny Smith has resumed his studies at the University of Florida in Gainesville after spending the semester break with his parents, Mr. and Mrs. R. T. Smith of Canal Point.

Mrs. A. D. Beverly has returned to her home from Miami where she was the guest of Mr. and Mrs. Don Beverly and grandson, Steven Donnelly.

Mrs. B. R. Mosely is confined to her home due to illness.

James Doughtery of Indian town, father of Mrs. E. H. Watson and Mrs. W. N. Vail, is a patient at the Everglades Memorial Hospital in Pahokee.

Mrs. A. W. Schell, Jr., and daughter, Mrs. Conale have returned to Baltimore, Md., after spending a few weeks with her parents, Mr. and Mrs. J. T. Platt, in Pahokee.

Mr. and Mrs. Grady Echols and Terri were the Sunday guests of Mr. Echols' sister, Mrs. D. H. Cammack in Fort Myers.

Mrs. H. M. Mcintosh, Mrs. Paul Sigler and James Paul Sasser are spending several days at Cape Canaveral.

Mrs. Anderson, Mrs. Paul Watson's mother, who has been a patient at the Everglades Memorial Hospital has returned to Mrs. Watson's home where she is improving.

J. E. Cochran, who has been a patient in the Largay Sanatorium in Naranja for several weeks, was moved to the hospital in Homestead this past Saturday.

Mr. and Mrs. Claude Shirley returned to their home Monday following a weekend spent at West End in the Bahamas.

Misses Patsy Hitchcock and Carol Epstein were the weekend guests of Miss Sammie Lee Latham in Miami.

## VISIT IN LAKELAND

Mr. and Mrs. J. M. Elliott and son, Mike, have returned to their home after a weekend visit with their mother, Mrs. Emma Wheeler, and other relatives in Lakeland.

## Mrs. Nix Is New Worthy Matron

Mrs. Florie Nix was installed as Worthy Matron of the Pahokee Eastern Star Chapter 184 at an installing ceremony Saturday night, February 10. Homer Barnes was installed as the Worthy Patron.

Mrs. Peggy Sizemore was the installing officer. Mrs. Evelyn Allen, installing secretary from Belle Glade Chapter 197; installing chaplain, Mrs. Fern Dilley of Moore Haven Chapter 116; installing marshals, Mrs. Jessie Barnes; installing organist, Mrs. Beulah George. Mrs. Ruth Meredith is the retiring Worthy Matron and D. P. Hughes is the retiring Worthy Patron.

Refreshments were served after the installation of the officers.

## MOVE TO FT. LAUDERDALE

Mr. and Mrs. Claude Morgan who have resided in Pahokee for several years, plan to move to Fort Lauderdale next week to make their future home.

## Mrs. Mattie Chastain Honored By Circle

Circle Five of the Everglades Presbyterian church honored Mrs. Mattie Chastain for her 52nd birthday at their February meeting which was held at the home of Mrs. Edna Pickett on Bacon Point Road in Pahokee. Mrs. Mae Lufkin presided at the meeting.

Present at the meeting was Rev. Johnston, pastor of the church and Mrs. Johnston, who presented a program entitled "The Power of the Tongue." Refreshments including portions of a decorated birthday cake.

## Chicken Supper At Woman's Club Tonight

There will be a chicken supper at the Woman's Club in Pahokee tonight (Feb. 18) under the sponsorship of the women in the Church of God on Bartfield highway. The price for the dinner will be \$1.00 and serving will start at 5 p. m. and continue until nine o'clock. Friends of the church are urged to attend. Profits realized from the supper will go into the Church Fund.

# Maybe Tobacco Can Be Grown On County's Muck In Glades

I don't know whether Mr. Khrushchev's Russia goes in for agricultural fairs, but if it does I'm guessing they'd be pretty sorry

A parade of armed might past the Kremlin with planes roaring over Red Square doesn't equal the significance of a score of big, successful agricultural fairs as a display of strength. Armed might depends on industry to sustain it. But a nation's industry can't be run efficiently by an under-fed, half-starved population. Khrushchev boasts of armed might, but his food

supplies... information about the condition of Russian agriculture is Mr. K's dressing down 1,900 agriculturists and workers from all parts of the Soviet Union. The Communist party newspaper, quoted him as saying 518,000 hogs had been lost and 305,000 pigs had died from poor treatment and lack of feed. He also accused the farmers of selling the government nearly half a million cattle that were underweight, apparently from lack of fodder.

So, how do we stand in America in the meat department? The volume of meat processed by U. S. packing plants during 1961 reached an all-time high, exceeding 28 billion pounds, according to H. R. Davison, president of the American Meat Institute.

The American pig crop increased 5 per cent over 1960, to 88.5 million head. Cattle numbers rose 1 per cent, from 96 to 97 million. In Florida, with 393,000 swine on farms on January 1, 1961, ranked 23rd among the states, up one position over the previous year.

In his comments about 1961 progress, Mr. Davison cited two current trends in the livestock industry which he said are important to producers: (1) orderly, well-spaced marketing, and (2) development of meat-type animals.

Some cattlemen may be skeptical concerning a recent prediction that "within ten years there will be no steers raised for beef."

That's a statement by Dr. Koch

Can Palm Beach County growers step in an fill the gap caused when tobacco from Cuba becomes unavailable?

Interested observers who saw what happened when Cuban sugar was cut off from U. S. markets, have been wondering about producing tobacco for the nation's cigar makers.

County Agent M. U. Mounts told the county commission this week that it is not impossible to grow tobacco here—in fact during the war years some 400 acres of Glades lands was put to work growing tobacco plants for northern tobacco producing states.

He also said that plants have been grown in a number of back yard patches with satisfactory results.

Mounts said a survey is presently underway by mail to determine if Cuban variety of tobacco can be produced here in quantity.

Sugar cane, which has become a magic-word to Glades growers, will be reason for some 50,000 acres of new farmland being put to use this year, the commission learned. The new acreage is in addition to the thousands of acres of vegetable and pasture land that have already been converted for growing tobacco.

Mounts and his staff made their official annual visit to the county commission this week, reporting that greater interest is being shown in all types of work and service provided by the county agricultural departments.

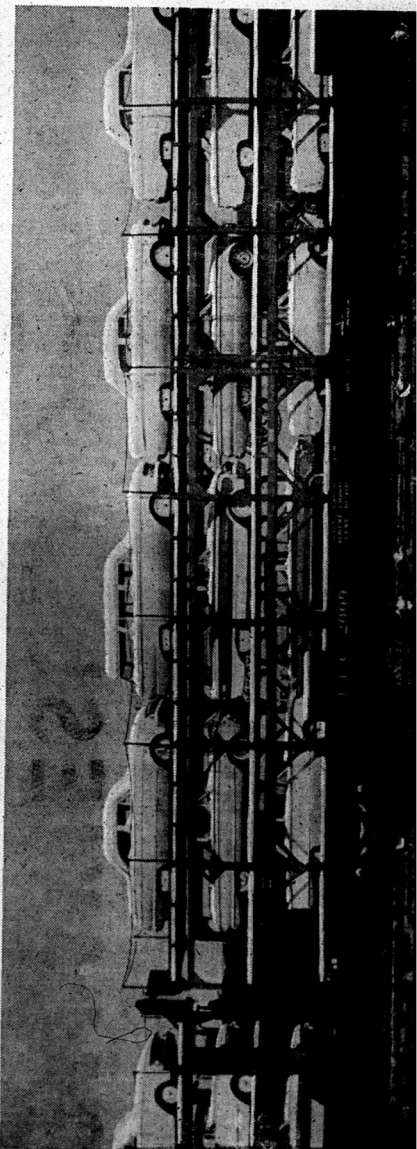

This increase has reached into home demonstration clubs, both boys and girls 4-H clubs, livestock exhibits, poultry growing and ornamental horticulture.

## City Accepts Land From State Board

Back several months ago when several thousand acres of land known as Richlands, Inc., was leased to a new concern — 715 Farms—proviso was made that several groups were to get little pieces of the land here and there. One of the groups receiving land was the City of Pahokee which was to receive 55 acres if and when the need arose.

Monday night's council meeting the state board decided to accept the land. The program calls for the City to receive one-third of the land, the first of May, 1962. Remesider is to be made

recapital took a scientific short course in West Germany and toured research farms and stations in several European countries. Dr. Koch said the use of bulls for beef fattening is tied to a strong trend among European consumers toward demand for lean meat. Reason for the European aversion to fat is the same as the trend of recent years in America—a change in work patterns with less emphasis on caloric needs and an increase in expendable income has resulted in growing demand for "meaty type" animals. Bulls provide a partial answer, according to Dr. Koch, because their carcasses have less fat and bulls have greater efficiency of feed conversion.

Swine raisers who have noticed comments about possibilities of artificial insemination for improving swine breeding, will be interested in a report by Dr. J. H. Shropshire of the University of Delaware. He says synchronized breeding may be the only practical system for artificial insemination of hogs.

Females to be bred must all come into heat at the same time, the Delaware specialist asserts, because artificially breeding each one separately would be more trouble than it's worth.

Dr. Shropshire advocates female hormones in feed to prevent heat. When the hormones are removed, practically all the females will come in heat at the same time in a few days. Synchronized breeding will save time and labor; breeding and farrowing schedules can be predetermined; and age uniformity will make the hogs easier to handle, feed and market.

A 9 year old Wisconsin cow has milked her way into history as the 1,000th registered Holstein to complete an official record of 400 pounds or more of butterfat. It was 365 day production record was 32,144 pounds of milk and 1,080 pounds of butterfat. She was milked twice daily during the test period. She also is the 277th of 300,000 registered Holsteins to top 30,000 pounds of milk a year. That's something for our Florida dairymen to shoot at. On the other hand, they'll be interested in a recent report from Sweden where 700 of the dairymen are taking a once-a-week afternoon-off, with a loss of only 4 per cent in milk production. Skipping one milking, the report is no more harmful to the cow than the disturbance she suffers from a substitute milker taking over.

Nat Nason, who was the guest of his grandparents, Mr. and Mrs. Earl Maxson, during the weekend, was joined by his parents Mr. and Mrs. Will Nason, and they returned to their home in West Palm Beach Monday.

## HOME FROM FUNERAL

Mr. and Mrs. C. G. Willis and children, Ginger and Bill, have returned to their home from Boston, Georgia, where they attended the funeral service of Mrs. Willis to their home in West Palm Beach Monday.

The City plans to use the first piece of land for a rock pit and garbage disposal. The Council also, Referred to the City Planning Board an application by Hugo Bee to rezoned land on East Main Street from single family to multiple family dwelling. —Passed an ordinance rezoning from agricultural and residential to commercial, land just south of the city owned by G. C. Connell. —Adopted a resolution to construct sidewalks on Fern Street between N. Elm Avenue and N. Flann Avenue and on the east and west sides of N. Elm Avenue between Fern Street and First Street. Estimated to cost \$5,000, the construction cost would be assessed against property owners over a period of three years in equal yearly installments. Property owners have until March 15 to appeal to the city council or build sidewalks in front of their property.

## Passion Play Now At Lake Wales

The Passion Play at the Lake Wales Amphitheatre is now underway for the season and with favorable weather is drawing large crowds. In the last week several folks from the Lake Okechobee Region saw the wonderful play for the first time. As the season progresses more folks from this area will be going to see it "under the stars at Lake Wales."

Opening performance, Sunday, February 11; final performance, Sunday, April 22. Every Sunday (twilight services) at 6:00 p. m. Every Tuesday, Thursday and Saturday at 7:30 p. m. Special Good Friday performance, April 20 at 7:30 p. m. Two special matinees on Wednesday, February 21 and 28 at 2:00 p. m. Admission prices: Box seat, \$3.00; reserved seat-center section with back rest, \$2.50; Reserved seat-side section without back rest, \$2.00. Children under 12—Half price for all seats. For telephone reservations call 2-9311 at Lake Wales, or Lake Wales Chamber of Commerce office. You can write for tickets to this following: Passion Play Amphitheatre, P. O. Box 71, Lake Wales, Florida.

## HOME FROM FUNERAL

Mr. and Mrs. C. G. Willis and children, Ginger and Bill, have returned to their home from Boston, Georgia, where they attended the funeral service of Mrs. Willis to their home in West Palm Beach Monday.

### "I wouldn't be without my FLAMELESS ELECTRIC DRYER"

Just look at my next door neighbor. The pity is that her wash was almost dry. Then w-o-o-s-h... a sudden gust of rain!

I've been telling her to get smart and quit lifting, lugging and doing pin-ups on a clothesline.

Let it rain, let it pour, that's what an Electric Dryer is for. A home without a flameless Electric Dryer would seem old-fashioned to me now. Night or day, I can laugh at time and weather. Gone is the pressure of washday. I just pop the towels, linens, shirts, lingerie, blue jeans and my little girl's school dresses into my Electric Dryer and presto!... in no time at all, everything comes out carelessly

soft and fresh as a flower. No sun-fade, no wind-damage, no dust-smudge, no aching back! And the time saved can be spent in much better ways with my family.

For complete modern-day freedom from washday drudgery, you'll enjoy the "togetherness" of a flameless Electric Dryer, an Electric Washer, an Electric "sit-down" Ironer, and a super-fast, super-safe Electric Water Heater for all the hot water you need when you need it.

See your electric appliance dealer today.

There's no match for flameless Electric Living... IT'S CHEAPER, TOO!

**FLORIDA POWER & LIGHT COMPANY**  
HELPING BUILD FLORIDA

An Electric Dryer or Washer will help qualify your home for the MEDALLION award.

## Boards Gets—

(continued from page 1)

this millage will be necessary for the construction and operation of the new hospital.

The public will again have the opportunity to express their approval or disapproval when, following the referendum on the Act itself, a Bond Election is held to permit the sale of bonds for construction monies. An estimated \$1,100,000 will be necessary in addition to the \$900,000. Hill Burton funds to complete the two million dollar, 175-bed core facility unit.

Included in the Act will be a provisional clause which will state that should the Bond Election fail, the new hospital district created by the Enabling Act shall be abolished and that the two present districts be reactivated subject to their previous charters.

A Sub-Committee of four board members, two from each district was announced at the last joint meeting. Purpose of this step was to form a working committee to study many of the details regarding this venture and to report their findings to the 12-man joint board for final approval.

Members of this committee are Southwestern Herman L. Close and Robert Roadman; Northwestern F. S. Parrish and Mrs. Alys M. Okie.

Both boards would like to reiterate their invitation to the public to comment on these proposals. Members are anxious to explain any matters which are not clear. The new hospital is designed to improve medical care in the area and to provide additional facilities for the safety of all in the area. It is proposed only after careful consideration and exacting studies of the present facilities. It is highly recommended by the Hospital Division of the Florida Development Commission.

## March 6 Is—

(continued from page 1)

that two and maybe three of them will seek re-election.

Gleason Stambaugh, a member of the Inland Navigation District, will probably be a candidate to succeed himself.

Congressman Paul G. Rogers will be a candidate to succeed himself as Congressman from the Sixth District of Florida.

U. S. Senator George A. Smathers will seek another term in the most august deliberative body in the world—the United States Senate.

County Commissioner Paul Rardin does not come up for re-election this time, having been re-elected two years ago for a four year term without opposition.

## Col. Ellis Altman Speaks Local Unit

The Community Building in Canal Point was the scene of a meeting of the Canal Point Civil Defense Unit and Col. Ellis Altman, county director, was the guest speaker, who gave instructions for the completion and official recognition of the local unit.

Introduced by G. L. Lanham, director of the Canal Point unit, Col. Altman explained the minimum requirements in personnel and equipment for the successful functioning of a CD unit. He told what part of this equipment is furnished by the County CD unit and where the remainder may be purchased by the local unit at the lowest possible cost.

February 26 has been set as the date for the next meeting of the unit and the Community Building is the place. Motion pictures of Civil Defense in action in meeting emergency situations will be shown by members of the West Palm Beach Unit.

## Woman's Club Held Luncheon Meeting

The Pahokee Womens Club held its luncheon meeting at the club room Wednesday at 12:00 o'clock. Mrs. Glenn Powell presided in the absence of the president, Mrs. B. R. Mosley, who was ill.

The meeting opened by the singing of "Let Me Call You Sweetheart" followed by the blessing given by Mrs. Adeline Wroten. Mrs. Uldine Todd read a poem she composed.

The program featured a fashion show by the girls of Mrs. Doris Lane's home economics classes at Pahokee High School. The clothes modeled were made by the girls during the year. The sewing contest is sponsored by the Federation of Womens Clubs in cooperation with Vogue Pattern Service.

Linda Woolter, Linda Livingston, Penny McKinstry and Alice Hurt modeled the dress-up dresses by Vogue pattern and the judges chose Linda Woolter for first prize and Penny McKinstry received honorable mention. The other girls modeling their dresses were Martha Bastia, Joann McKinstry, Hazel Holley, Diane Hollon, Amy Young and Sue Miller.

The guests attending were Mrs. Ralph Johnson, Mrs. Billy Rogers, South Bay, Mrs. R. L. Hutton and Mrs. W. K. Aldridge.

GEORGE W. ENGLISH

## George W. English Is FP&L Director

George W. English, of Fort Lauderdale, was elected a director of Florida Power & Light Company at a meeting of the Company's Board of Directors held in Miami today. English is senior member of the prominent Broward County law firm of English, McCaughan & O'Bryan. He is also Chairman of the Board of the First National Bank and Chairman of the Board of the Fidelity National Bank, both of Fort Lauderdale.

He is a Director of the First Federal Savings and Loan Association of Broward County, and holds directorships in a number of other local organizations. Active in civic affairs, he is a member of Rotary is a Trustee of the University of Florida Endowment Corporation and served as a member of the Florida State Board of Control from 1953 to 1955.

Born in Johnson County, Illinois, he attended the University of Illinois, graduating in 1921, and Harvard University, receiving his LL.B. Degree in 1924. Coming to Florida in 1925, he was admitted to the Florida Bar and has practiced law continuously in Fort Lauderdale since that date.

## Printers Live Longer, Recent Survey Indicates

The life of a printer is not only a busy one, it's a long one! The average life span of a printer is now 71.1 years as compared to 66.3 for all businesses. The salubrious climate of the print shop also benefits graphic arts suppliers, whose average life is 70.48 years.

According to a recent survey, 22 percent of all printers top the 80-year mark. Forty-five and a half percent live to be more than 70 and 75 percent live beyond 60.

## Jernigan Circle In Tuesday Night Meet

The Grace Jernigan Circle of the Pahokee Baptist Church held their monthly meeting at the home of Mrs. Horace Unwin Tuesday night. Mrs. Grace Graham, circle chairman, presided over the business. Mrs. E. B. Gamble gave the devotional and had charge of the program. Those taking parts in the program were: Mrs. Wiley Tillis, Mrs. M. J. Sapp, Mrs. Frank Thompson, Mrs. W. M. DuBose and Mrs. Mary Hammond. Delicious refreshments were served to 12 members.

## Fathers Honored Daddy Date Night

Fathers were guests at a "Daddy's Date Night" supper held by members of the Pahokee Chapter, Future Homemakers of America, in the dining room of the home economics department at Pahokee High School instead of the regular meeting last week. Miss Betty Johnson, chapter president, was master of ceremonies. The dinner was prepared and served by chapter members, with the assistance of Mrs. Doris Lane, faculty advisor.

## Pahokee Public Thoroughfares Committee Named By City Council

The Pahokee City Council has appointed a Public Thoroughfares Committee of Nine prominent citizens to study the proposal of four-laning a highway through the City of Pahokee. A recent tentative survey was made by the State Road Department at the request of the City Council and maps of the survey have been made available to the Council and citizens of Pahokee. It is this survey and other proposed routes for the four-laning that this Committee will study thoroughly before reporting back to the City Council at some future date. Members of the highly important committee are:

### Inman, W. Weeks, Chairman (South Bay Growers)

**Jimmy Moore**  
(Western Auto)

**R. B. Simonson**  
(Farmer)

**A. J. Gamot**  
(Merchant)

**Olaf Boe**  
(Boe's Appliances)

**William Plumer**  
(Glades Chemical Co.)

**Manning I. Keen**  
(Standard Oil Agent)

**C. E. Williams**  
(Everglades Ins. Co.)

**Dr. E. C. Johnson**  
(Physician)

## Gene McIlwain Is Back On Bank Job

Gene McIlwain, Cashier of the Bank of Pahokee, is back on the job following a special operation at a West Palm Beach hospital where a nylon artery was put in his lower leg to bypass a blockage. The operation was pronounced a success but he will have to take it easy for several weeks to give the operation and its attendant materials time to thoroughly heal.

## New Building For Paul's Parts Store

Construction has started on a new building being erected for Paul's Service Station on Barfield Highway just south of the present building. The structure will be 65x58 and will be used for the parts store which is now located next door to the bank in Pahokee.

## Mrs. Lola Ryals And H. L. Carter Are Wed

Mrs. Lola Ryals of Pahokee and H. L. Carter, former FEC Railway agent at the Canal Point depot, were married on February 3 at the Church of God on Barfield Highway. Both parties are long-time residents of the area and they will make their home in Pahokee.

## Production Credit Group Will Meet

Annual Stockholders' Meeting of the Farmers Production Credit Association will be held at "The Playhouse" Miami Springs Villas, Miami Springs, Florida, on Tuesday, February 27, 1962, beginning at 10:00 o'clock a. m.

Mrs. C. L. Stuart is a patient at Good Samaritan Hospital in West Palm Beach where she underwent surgery Thursday.
